ROSEWOOD INN

'CITY OF GARDENS'

On the southern tip of Vancouver Island dwells 'a bit of Old England' in Victoria, British Columbia, a city boasting quaint charm, formal gardens, and a beautiful inner harbor. The 'City of Gardens', with flower baskets hang from every lamppost and shops sell fine English china, Irish woolens and Scottish tartans, could trick you into thinking you had landed in the British Isles.

Rosewood Inn is located in a historical preservation building where each unit is unique in style and décor. Start your day with an exploration of the famous Inner Harbour on a 3-hour sail on a tall ship, visit the BC Parliament or one of the oldest Chinatowns in North America for a Hidden Dragon Walking Tour. Finish your day at Butchart Gardens and stay for the fireworks show on Saturday in the summer. A change of pace from the everyday hustle is just what you ordered and a return trip is inevitable.
